

Euro Financial Aid Program Rules

- Requests for financial aid must come from the player's parent or legal guardian.
- Financial Aid awards are only used to offset the registration costs. Payments are not made to the family of the player.
- Notification of financial award will be made in writing to the player's family.
- The amount of aid awarded to a player is not assumed to be 100% of the registration fees. In order to best utilize limited funds, partial awards are common.
- Registration is not considered complete until a combination of player fees and financial aid are sufficient to cover the full registration fee.
- Financial awards must be approved by the Euro Board of Directors. Decisions regarding financial aid will be made within 60 days of application and all supporting documentation. Decisions may be made sooner in many cases. Applications will be considered in the order in which they are received. Later applications may be affected by a lack of funds based on earlier awards.
- A player's previous history with the club will be a further consideration for financial aid (level of participation in practices, commitment level, completion of volunteer commitments, etc.)
- Players will have additional costs associated with uniforms and team fees that are not covered by financial aid.

Provide one of the following forms of documentation to complete your application:

- Proof of qualification for free/reduced lunches
- Proof of participation in food stamp program
- Copy of 1040 Tax Form showing income and dependents for 2010
- Proof of housing subsidy or other government support

In order to receive financial aid, you must agree to the following:

Please initial on each line

_____ I may be asked and would be expected to volunteer for club activities.

_____ I agree to the complete financial commitment of Euro soccer including--but not limited to--tournaments, uniforms and travel expenses.

Finally, please indicate how much you are able to pay toward the registration fees. The balance is assumed to be the amount of aid being requested.
